## **Announcements**

***From the Commander: I would like to address the general assembly as to the decision on smoking at the Post.***

***There are a couple of factors that weigh into my decision. The first one I said I would support going non-smoking as long as there was a plan to implement such at the time. Nobody has presented a plan.***

***Our current staff is made up of a smoking group. They are the ones that meet everybody the first time. They are the ones handing out our applications and taking requests from vendors, veterans in need, families and such.***

***Since I don't have a plan to accommodate our staff in the short term we're going to move forward with more smoke eaters and a little bit more restrictions on the smoking areas during specified times.***

***As per request, the game room area will be non-smoking on Thursdays while the shuffleboard association is playing. This will include the video gambling game area as well.***

***My current plan for non-smoking is to fund the building of a new VFW building and meeting halls that will be non-smoking and the consideration of a small smoking area with separate ventilation and outside patio and cooking area.***

***In the mean-time I look forward to your support.***
